

**Kellogg Health Scholars Program  
2011 Annual Meeting  
Hotel Palomar  
Washington, DC**

**June 1-3, 2011**

**Agenda**

MEETING THEME: "Pursuing equity in the face of political opportunities and challenges"

MEETING GOALS:

- (1) Foster dialogue between multidisciplinary and CBPR researchers to continue exploring opportunities for connecting research to community programs and policy/advocacy organizations.
- (2) Facilitate interaction and collaboration between MD Track and C Track Scholars and alumni.
- (3) Develop and apply skills in translating research into policy/advocacy, such as writing policy and issue briefs, and developing relationships with policymakers and organizations that advocate for community engagement and eliminating health disparities.
- (4) Develop leadership development skills such as developing teams and sharing a vision, discussing research and policy with policymakers, public speaking, searching successfully for positions, navigating the world of academe as a junior faculty member and getting tenure, building a portfolio of articles and developing a reputation as an expert, and leading a research, program or policy organization.
